### **LAURA DECHEINE** **HUDSON, WISCONSIN**

Laura has been teaching dance in the greater Minneapolis area for over 25 years. She is the co-owner and artistic director of Helmer Dance Studio which has recently appeared in an episode of "Made" on MTV. She has taught for the Des Moines Dance Project and has performed in and/or choreographed community, university and professional theater productions including Grease, Gypsy, Pirates of Penzance, Barnum, South Pacific, 42nd Street and Anything Goes. Laura has been trained in many dance styles including jazz, tap, lyrical, contemporary, ballet, hip hop and musical theater and has trained with many renowned teachers and choreographers across the country including Gregg Russell, Ryan Lohoff, Angela Carter, Nick Bowman, Blake Angier, Malaya, and Shawn T. Laura's work has won many regional, national and title awards including many choreography awards. Her students have gone on to perform in videos, choreograph for studios and award winning dance teams, and even open their own dance studios to continue to pass on the love of dance to yet another generation.

### **HOLLY PHELPS** **BATAVIA, OHIO**

Holly has been teaching & choreographing since the age of 17 & has dreamed of owning a studio of her own since she began dancing at a very young age. As a studio dancer herself growing up, she trained in many different genres, but thrived in genres such as- jazz, tap, hip-hop, lyrical, contemporary, ballet, musical theater and gymnastics. She trained and competed regionally & nationally until her Junior year of high school. For three seasons, she danced and worked at Kings Island in the Nickelodeon entertainment department. Starting her Senior year of high school, Holly was accepted as a member in Exhale Dance Tribe, a contemporary dance company in Cincinnati, Ohio. She trained with Exhale for two seasons performing their original pieces at many different venues such as The Aronoff Center for the Arts, Contemporary Arts Center & The Know Theatre, and performed for different benefits, including the LiveStrong Benefit at the Aronoff. December of her Senior year, Holly traveled to Los Angeles, CA to perform in a Destination Dance show at the Wilshire-Ebell theater amongst other talented dancers from around the country. Holly has since traveled for guest teaching at different workshops, guest choreography, judging out of town dance competitions and became Head Coach to Milford High School Dance Team in 2015. Her philosophy on teaching is building their self-esteem to believe in themselves while pushing them to their fullest potential physically and artistically.

### **DAWN RUZYNSKI** **RAMSEY, MN**

Dawn began her dance education later in life, she was in 6th grade when she signed up for her first set of studio dance classes...and that was the beginning of it all! Dawn would have never guessed at that time what an impact dance would have on her life and how it would become her passion, her drive and her life! In the beginning she took tap, ballet and jazz classes. A year later, she found herself entering the world of competitive dance where she added both pointe and musical theater. Dawn danced at Stage Door under the guidance and instruction of Sue Anderson-Franks. While at Stage Door, she attended workshops and competitions on a regular basis. She also had the opportunities to travel with the studio to Chicago, St. Louis and New York where she took classes with some of the biggest names in the dance world at the time. Dawn learned so many lessons in dance and life by having the opportunities to travel for dance. In addition to studio dance, Dawn was also a member of the Coon Rapids Cardettes Dance Line (that's what it was called in the '80's) while in high school as a member of the team, she attended several camps and competed in the State Dance Line Tournament. Those were some awesome times in her life, but her favorite part of being in studio dance and dance line was being able to perform for her peers and making lifelong friendships. Dawn remembers the performances, way more than the trophies that is for sure!
